

All Star - Deductions

Novice, Prep, Elite

Deductions	Point Penalty	Description <i>Included but NOT limited to</i>
Athlete Fall	-0.25	Drops to the performance floor during tumbling, and/or jump skills. Hand, both hands, knee, both knees, or head hitting the performance floor while performing a tumbling or jump skill or tumbling transition in and/or out of a building skill.
Building Fall	-0.75	Flyer falls from a stunt onto a base or spotter and does not hit the floor and does not maintain control - also includes falling into a cradle or a base falling during any portion of the stunt.
Major Building Fall	-1.25	Flyer falls from a stunt onto a base or spotter and 1 or more athletes hits the ground with any body part. *Stunts that pop off due to safety do not constitute a Major Building Fall.
Out of Bounds	-0.25	Both feet off of the performance surface. Performance surface includes any borders attached to the performance floor.

Legalities	Point Penalty	Description <i>Included but NOT limited to</i>
Tumbling/General Rule	-0.05	General rule or tumbling violation
Building	-0.1	Building Skill Violation
Building Safety Concern	-0.5	If a skill is missing the required number of athletes to perform the skill legally. (Not having enough catchers on released flips in pyramids, not having the number of required catchers for a cradle, etc.) If a skill is performed illegally and appears to be inherently dangerous and/or unsafe-regardless of the number of building groups.

Time Limit Violation	Over Time Limit 1-5 Seconds = -0.05	Over Time Limit 6+ Seconds = -0.1
