

2025-2026 ELIGIBILITY POLICY

Updated: 6-11-24

This policy outlines the consequences and expectations for division eligibility in all competitions partnered with The Open Championship Series.

1. Eligibility Enforcement

If it is discovered that a team has competed with an ineligible athlete—regardless of intent or reason—the following actions will be taken:

- The team will be removed from the National Rankings Competition hosted by The Open Championship Series.
- Any bids previously awarded to that team will be revoked.
- All points earned at partner events will be nullified.
- All teams from the same gym location will be ineligible to participate in the National Rankings Competition for the remainder of the current season.

2. Ineligibility Criteria

Ineligibility includes, but is not limited to:

- Crossover violations (e.g., moving ineligible athletes from Prep to Elite teams).
- Athletes who do not meet the age requirements for the division.
- Any violation of division-specific participation requirements as outlined in the current season's Age Grid.

Note: Teams must strictly adhere to the Age Grid. If a team does not meet the requirements for a division, they are not permitted to compete in that division.

3. Competition Participation After Ineligibility

- Ineligible teams may still sign up to compete in the Battle Round at ASWC.
- These teams will not be eligible to receive At-Large or Paid Bids at any event for the rest of the season.
