

## Open Championship Series (OCS) – Paid Bid Acceptance Policy & Procedures

### Purpose

To ensure fairness, transparency, and increased opportunity for participation, the following policy governs the acceptance and pass down of Paid Bids for the Allstar World Championship.

### I. Paid Bids

- **Acceptance Deadline:** Teams must accept or decline Paid Bids within 7 (seven) calendar days of the official OCS Bid Reveals on Tuesday evenings.
- **Declined Bids:**
  - Declinations must be submitted in writing (email or official form) to the OCS within the 7 (seven) day window. OCS staff will help with identification and communication of unregistered Paid Bids post deadline.
  - Event Producers will be notified of declined bids and are responsible for documenting the declined bid and initiating the pass down process.
- **Pass Down Process:**
  - All declined Paid Bids must be passed down to the next eligible team, without exception.
  - Event Producers must ensure the pass down is executed promptly and in compliance with Bid Distribution Guidelines.

Our goal is to ensure that bids are going to teams and gyms excited and ready to be part of the 2026 Allstar World Championship.
